Welcome

Thank You to all Gardenliliums customers for your patience and support.

You probably already knew that Club Creek Bulb Farm is a ‘one-man-band’, and it will come as no surprise, we are lilium enthusiasts and grow our own lilium bulbs. We strive to bring you better quality bulbs and a wider range of varieties, to add that bit of uniqueness to your garden. In spite (or perhaps because) of the dry summer, the bulbs have grown well and are bigger and healthier this season. Hope you enjoy this catalogue, please share with your gardening friends.

Happy Gardening

Adrian

Ordering

Please complete the included order form, and forward together with payment. We accept cheques and Mail Order vouchers, and direct bank transfers. We also accept Visa and Mastercard. The bulbs offered in this list are subject to crop success and prior sale, and are guaranteed true to name. As some varieties are low in numbers of bulbs available, please order early.

We do not substitute freely, and gladly refund. If you prefer a substitute please make a note.

Delivery will be by Australia Post, and all bulbs carefully packed. Please add $12.00 per order to defray the cost of postage and quarantine treatments. Dispatch will be in sequence of order receipt.
